

Capital Title of Texas Named to Inc. 5000 List of Fastest Growing Private Companies for 4th Year in a Row!

August 24, 2016— Capital Title of Texas now joins an exclusive group of companies that have been named repeat winners of the *Inc. 5000* list of private companies with the fastest growth in America. The list represents a unique look at the most successful companies within the American economy's most dynamic segment— its independent small businesses. As a 2013, 2014, 2015 and 2016 winner, Capital Title shares a pedigree with Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow and other notable alumni.

Capital Title of Texas is the largest independently owned title company in Texas. Its title plants are licensed in 32 counties, covering 80% of the state's population. Capital Title's growing team is led by Owner & CEO, Bill Shaddock, who credits obtaining a spot on Inc. 5000's list of fastest growing private companies to his growing team of talented and dedicated industry-leading experts. Capital Title has grown 101% over the past 3 years and has become one of the top title companies in the U.S. and Texas.

The 2016 Inc. 5000, unveiled online at Inc.com and with the top 500 companies featured in the September issue of Inc. (available on newsstands August 23) is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year growth of 433%. The Inc. 5000's aggregate revenue is \$200 billion, and the companies on the list collectively generated 640,000 jobs over the past three years, or about 8% of all jobs created in the entire economy during that period. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000.

"The Inc. 5000 list stands out where it really counts," says Inc. President and Editor-In-Chief Eric Schurenberg. "It honors real achievement by a founder or a team of them. No one makes the Inc. 5000 without building something great – usually from scratch. That's one of the hardest things to do in business, as every company founder knows. But without it, free enterprise fails."

The annual Inc. 5000 event honoring all the companies on the list will be held from October 18 through 20, in San Antonio, TX. Speakers include some of the greatest entrepreneurs of this and past generations, such as best-selling author and strategist Tony Robbins, SoulCycle co-founders Elizabeth Cutler and Julie Rice, Cornerstone OnDemand founder, president and CEO Adam Miller, Marvell Technology Group director and co-founder Weili Dai, and New Belgium Brewing co-founder and executive chair Kim Jordan.
